

"Japanese Tribology" ELyT lab Seminar in LTDS

june, 15th 2010

14h to 17h, room B11, buildg H10, ECL

Program

Minori KAKIZAWA, *Shiseido Co Ltd / LTDS*

"The relationship between hair surface and tactile perception"

Minoru GOTO, *Ube National College of Technology, Ube*

"Metallic film tribology"

Tasuku ONODERA, *Department of Applied Chemistry, Graduate School of Engineering, Tohoku University, Sendai*

"Experimental and molecular dynamics approaches on friction and tribochemical reaction of C60 fullerene"

Koshi ADACHI, *Graduate School of Engineering, Tohoku University, Sendai*

"Tribology research in Adachi Lab in Tohoku University"
